The Secretary
Navy Foundations

**CUSTOMISATION OF NAVPEN WEBSITE FOR USER FRIENDLY
ACCESS OF DATA FOR VETERANS**

1. NAVPEN website, <https://www.indiannavy.nic.in/navpen> is a microsite of Navy website on open domain (i.e. internet) for use by all veterans. A large number of updates and information related to pension/ pensionary benefits are being regularly hosted on it for the benefit and easy access of information by veterans.
2. The Naval Pension Office (NAVPEN) is looking after activities related to award of pension, (including Disability/ Invalid/ Family pensions) as also resolution of legal, Medical/ ECHS Verification issues, ex-servicemen welfare, etc for officers and sailors. The unit also acts as a nodal agency for matters pertaining discharge/release formalities and death in harness cases.
3. A large number of queries and correspondence are received from veterans with respect to change of records, documents and various procedures. A need was felt to make a dedicated Veteran's tab for dealing with queries and procedures in a comprehensive manner, topic wise. The NAVPEN website has therefore been customised to make it more user friendly. A number of features have been included to make it more informative to the veterans. NAVPEN website has been added with an additional Tab namely '**VETERAN'S GUIDE**' and has been customised in such a way that, it can be used as **One Point Solution** for many of the grievances posed by veterans. 'VETERAN'S GUIDE' tab has two options, Officers and Sailors. Links for the same are as tabulated below:-

SI	Category	Link
(a)	Officer retirees and their families.	https://indiannavy.nic.in/navpen/officers
(b)	Sailor retirees and their families.	https://indiannavy.nic.in/navpen/sailors

4. A number of Advisories/ Forms have been uploaded with all the relevant information related to it so as, the filled forms will not get rejected at NAVPEN and time can be saved which otherwise gets consumed in resubmitting. Some of the salient features provided in VETERAN'S GUIDE are as enumerated below: -

(a) **Topic Based Comprehensive Solution.** Queries are sought by veterans for submission of applications on the various requirements like change of name, endorsement of spouse in PPO, updating of family details in records etc. In order to provide clarity in these subjects the information is arranged topic wise for

ease of access of the concerned subject. The related guidelines and forms for submissions are made available under these subjects.

(b) **Standardisation of Forms.** Updated/ revised forms have been uploaded to ensure submission of correct claims in prescribed formats to reduce iterations between veterans and NAVPEN.

(c) **Editable Documents/ Forms.** The documents/ forms provided are editable for ease of filling. These can be downloaded and subsequently filled on electronic media and printed, reducing the hand filling requirement on printed forms.

(d) **Sample Affidavits.** Several queries related to preparation of affidavits for various requirements are received at NAVPEN. In order to facilitate ease of preparation of affidavits, Sample Affidavits are provided as guidelines for case preparation.

(e) **Check off list.** A list of things that a veteran/ retiree must do in order to complete the claim process has been provided elaborately.

5. **NAVPEN Website.** NAVPEN website has been customised to provide information to the veterans regularly. In this regard regular updation and Advisories are provided to report existing or predicted conditions, often with an advice to Veterans and other stakeholders for dealing with them. Regular updation on various topics like Special Pension cases, Seventh CPC revision cases, Pre-2016 E-PPOs, latest PCDA Circulars etc. is carried out for all veterans to stay abreast with latest information. Thereby making the system more robust and thus reducing the need of veterans to contact NAVPEN for getting information on common issues. Additionally, Zilla Sainik Boards can obtain these information from the website to guide Veterans in far flung and remote areas.

6. In order to provide easy reference on the aforesaid subjects, VETERAN'S GUIDE tab has been added for ease of submission of claims/ corrections in records. The unit is geared to undertake timely processing of Service/ Family pension, Release formalities of retiring Officers/ Sailors and updation/ verification of documents of naval veterans. Details of information available in VETERAN'S GUIDE tab for Officer retirees and Sailor retirees are placed at **Enclosure 1** and **Enclosure 2** respectively.

7 It is hereby requested that wide publicity may be given.
