DRAWAL OF STORES BY
ATTENDANTS OF ELDERLY AILING MEMBERS

1. Reference this office letters No. 96322/Q/DDGCS dated 15th Jun 2005 and 23rd Aug 2006.
2. It has been decided to permit the attendants of the elderly ailing members to draw the stores and liquor on their behalf on the basis of a suitable certificate from the medical specialist in that field and counter signed by the competent authority under whose jurisdiction the canteens are operative. Needless to say that while this concession is being extended as an effort to provide succour to the ailing members of the defence services fraternity the authorities/management at all levels should ensure that this concession is for the genuinely needy. Methodology/measures to be adopted including the nature of authority letter alongwith suitable checks may be decided at respective Command HQ level please.
3. This has the approval of the QMG.
