**GRANT OF TRAINING ALLOWANCE  
STANDARD COOLING-OFF PERIOD AND REMITTANCE OF ARREARS**

1. Refer to the following (copies enclosed):-

- (a) GoI MoD letter PC-1(16)/2017/D (Pay/Service)/Pt.II dated 28 Nov 19.
- (b) IHQ MoD(N)/ DNT letters TR/8046/1/P dated 13 Jul 20 & 15 Mar 21.
- (c) IHQ MoD(N)/ DPA letter of even number dated 16 Mar 21.

2. **Background.** Govt of India/ Ministry of Defence issued directives for abolition of Instructional Allowance and admissibility of Training Allowance to the eligible personnel in authorised Training Establishments wef 01 Jul 17 vide letter at Para 1(a) ibid.

3. **IHQ MoD (N) Directives.** Based on the eligibility conditions stipulated in the Gol/ MoD letter at Para 1 (a) *ibid*, IHQ MoD(N)/ DNT promulgated '*Broad Guidelines regarding Implementation of Training Allowance*' vide DNT letter dated 13 Jul 20 and issued an amendment to '*Eligibility and Entitlement Conditions*' (based on the feedback from the field and deliberations with all stakeholders) vide DNT letter dated 15 Mar 21. Accordingly, IHQ MoD (N)/ DPA cancelled the policy letter of even no dated 20 Jul 20 *wrt* Implementation of Training Allowance and promulgated a detailed policy letter of even no. dated 16 Mar 21 on '*Grant of Training Allowance*' duly incorporating methodology for payment of Training Allowance and recovery of Instructional Allowance.

4. In accordance with the directives of IHQ MoD(N), necessary actions were initiated by all stakeholders to ensure remittance of arrears of Training Allowance to all eligible personnel *wef* 01 Jul 17.

5. **Issues Addressed.** Consequent to promulgation of IHQ MoD(N)/ DPA letter PA/6304/04 dated 16 Mar 21, there were some issues raised and inputs received from the field units *wrt* the implementation of the policy. These were examined at IHQ MoD(N) with inputs taken from the other two services. The issues which merited consideration have accordingly been addressed and corrective measures incorporated as follows:-

(a) **Standard Cooling off Period.** To the extent feasible, a standard appointment (non-training) between two training assignments shall be maintained as per earlier directives vide IHQ MoD(N)/DPA letter dated 16 Mar 21 and accordingly 'Appointing Authorities' (i.e. IHQ MoD(N)/DOP for Officers and CABS for Sailors), are to ensure the same.

(b) **Consecutive Training Tenures.** Whilst the appointing Authorities are to ensure '*one standard appointment (non-training)*' between two training appointments, Service exigencies may necessitate a need to appoint vertically specialised manpower consecutively from one training establishment to another. In such cases, it must be ensured that a **minimum 'standard cooling-off period' of three months** is maintained in the form of 'Instructor Evaluation Period' prior commencement of Training Allowance in the consecutive training establishment.

(c) **Applicability of Standard Cooling-Off Period between 01 Jul 17 to 28 Nov 19.** The extant issue was deliberated in light of earlier directives issued vide Para 12 of IHQ MoD(N)/DPA letter at Para 1(c), wherein Training Allowance was to be credited for the first training appointment and not the second consecutive appointment during the period from 01 Jul 17 to 28 Nov 19. The issue was examined *de novo*, in light of inputs received from field due to the said directives, inputs from the other Services and concerned stakeholders. It is understood that, IA and IAF have adopted the methodology of payment of Training Allowance to their personnel for consecutive training tenures for the entire period between the date of applicability of the orders and the date of issuance of the GSL viz 01 Jul 17 to 28 Nov 19. Accordingly, **Training Allowance is to be paid to personnel who have tenanted training billets between 01 Jul 17 to 28 Nov 19 irrespective of consecutive tenures.**

#### **Methodology of Payment**

6. **Raising of Genforms.** Methodology to be followed for commencement of Training Allowance *wef* 01 Jul 17 for serving personnel and retired/ deceased personnel was promulgated vide Para 9 and 11 of IHQ MoD(N)/DPA letter at para 1(c) *ibid*. However, it is observed that as on 31 Jul 22, 456 serving and 752 retired/deceased personnel have not been paid their entitled Training Allowance for the instructional duties undertaken by them. The deliberations on the issue and decisions are enumerated below:-

(a) **Payment of Training Allowance till 28 Nov 19.** There are many entitled personnel who have not yet been paid arrears of Training Allowance due to non-raising of fresh Genforms *iaw* the procedure laid out vide IHQ MoD(N)/DPA letter of 16 Mar 21. This is primarily due to reasons of transfer/ retirement/ death etc. Accordingly, it has been decided to pay the arrears of difference of Training Allowance with previously drawn Instructional Allowance for all entitled personnel from 01 Jul 17 to 28 Nov 19 even if they tenanted consecutive training assignments. Towards this NPO is to identify all such personnel who were drawing Instructional Allowance and have not been paid Training Allowance due to Genform not being raised. The list of such personnel is to be forwarded by NPO to all Commands and respective units for raising of Genforms towards commencement of Training Allowance for all entitled personnel. NPO is to cater for provision to allow units to raise Genforms for such entitled personnel who have since retired.

(b) **Payment of Training Allowance between 29 Nov 19 to 16 Mar 21.** Arrears of Training Allowance is to be paid to the entitled personnel appointed *wef* 29 Nov 19 till 16 Mar 21 (i.e. the duration between date of promulgation of GSL and the date of promulgation of IHQ MoD(N)/DPA policy on grant of Training Allowance), ensuring the 'standard cooling-off period' of three months between two consecutive training tenures during the period. Accordingly, NPO is to identify all such personnel who have tenanted consecutive training appointments and have not been paid Training Allowance for the second training appointment. List of such personnel is to be forwarded to all Commands and respective units towards enabling issuance of Genform for commencement of Training Allowance with a gap of initial three months (i.e. standard cooling-off period) on reporting at the consecutive training appointment.

### **Way Ahead**

7. To sum up the issues/ directives brought out above, approval of the Competent Authority has been accorded for the following towards effective implementation of Training Allowance:-

(a) **01 Jul 17 - 28 Nov 19.** Payment of Training Allowance to all entitled personnel appointed to authorised training establishments as per GoI/MoD letter dated 28 Nov 19, as per para 5(c) above.

(b) **29 Nov 19 - 16 Mar 21.** Applicability of minimum 'standard cooling-off period' of three months (i.e. Instructor Evaluation Period) for such personnel who were appointed consecutively from one training establishment to another training establishment.

(c) **17 Mar 21 Onwards.** 'One standard appointment (non-training)' between two training appointments is to be maintained by Appointing Authorities as per IHQ MoD(N)/DPA letter dated 16 Mar 21. However, in case there is a need to appoint vertically specialised manpower consecutively from one training establishment to another training establishment, the minimum 'standard cooling-off period' of three months as 'Instructor Evaluation Period' is to be ensured prior commencement of Training Allowance in the consecutive training establishment. Towards this, Appointing Authorities are to mention '**Consecutive Instructor Appointment**' in such appointment letters for ease of identification. Accordingly, the training establishments are to raise Genform for commencement of Training Allowance only after a period of three months (Instructor Evaluation Period) from the date of joining of the establishment for those personnel who are tenanted a consecutive appointment.

8. **Action by Appointing Authorities.** Hereinafter, IHQ MoD(N)/DOP for Officers and CABS for Sailors are to ensure adherence to 'standard cooling-off period' of *one standard appointment (non-training)* between two training appointments. In case of vertically specialised manpower and where organisationally necessary, a mention of '**Consecutive Instructor Appointment**' is to be included in the appointment letters for ease of identification by training establishments/ NPO.

9. **Action by NPO.** NPO is requested to undertake following actions to facilitate implementation of the methodology approved by Competent Authority:-

(a) **01 Jul 17 – 16 Mar 21.** NPO is to identify all such personnel who were drawing Instructional Allowance and have not been paid Training Allowance due to Genform not being raised. The list (as per format at Enclosure) is to be forwarded to all Commands and respective units towards ensuring raising of Genforms for cessation of Instructional Allowance and commencement of Training Allowance for all entitled personnel. NPO is to cater for provision to allow units to raise Genforms for entitled personnel who have retired. The Training Allowance remitted to the personnel based on the procedure promulgated vide IHQ MoD(N)/DPA letter dated 16 Mar 21 and as mentioned in para 7 above is to be considered while calculating the dues for the entitled personnel. In case the personnel has retired/ deceased, the same is to be remitted by NPO.

(b) **29 Nov 19 – 16 Mar 21 (Consecutive Training Appointments).** NPO to identify all such personnel who have tenanted consecutive training appointments and have not been paid Training Allowance for the second training appointment. List of such personnel is to be forwarded to all Commands and respective units towards enabling issuance of Genforms for commencement of Training Allowance with a gap of initial three months on reporting at the consecutive training appointment. ***The initial three months of reporting to consecutive appointment is to be considered as the 'standard cooling-off period' (Instructor Evaluation Period)*** and Training Allowance is **not** to be paid for the first three months.

(c) **17 Mar 21 Onwards.** All appointments taken effect from 17 Mar 21 onwards are to be with '*One standard appointment (non-training)*' between two training appointments as per IHQ MoD(N)/DPA letter dated 16 Mar 21. In case of vertically specialised personnel, the 'standard cooling-off period' of three months is to be considered, while remitting the training allowance of consecutive training appointment.

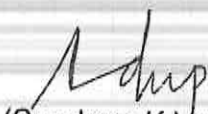

(d) No recoveries are to be undertaken. Instead, the difference of entitled Training Allowance is to be remitted to the individual accounts, unless the individual has been overpaid erroneously.

10. **Action by DESA.** DESA is requested to disseminate this information to retired personnel/ families of deceased personnel who would be eligible for grant of Training Allowance. In addition, Training establishments are also requested to liaise with such retired personnel to enable them to get their dues, at the earliest.

11. **Action by Training Establishments.** Training Establishments are to ensure that 'Instructor Evaluation Period' as '*standard cooling-off period*' for a period of three months is maintained for personnel tenanted consecutive training assignments prior approving commencement of Training Allowance as per the approved way ahead.

12. IHQ MoD(N)/ DPA letter PA/6304/04 dated 16 Mar 21 is hereby cancelled.
13. It is requested that contents of this letter be widely disseminated.
