### NAVAL OFFICERS RETIREMENT HOMES

Dear Pankaj,

1. As you would be aware, few Naval Veterans from God's Own Country had conceived and executed a unique project named Naval Officers Retirement Homes (NORHOMES). The primary driver for this venture was the ever changing social milieu which poses very specific challenges and places undue strain on both the ageing parents and their children. Both need a very fine combination of privacy and mutual support. NORHOMES thus is an ideal Home for both Veterans and Parents who are in need of a caring and safe environment.
2. Over a period of time, a few Dwelling Units have come up for change of ownership as their original owners are not in a position to continue holding their property due to various compelling reasons, with unfortunate demise being one of them.
3. We would therefore be extremely grateful if the enclosed Notice is widely disseminated among the Naval Veterans, NoKs and Widows by inclusion in the next News Letter published by the Directorate of ESM Affairs. It is also requested that the enclosed Notice be shared with the appropriate Directorate of Army Headquarters and Air Force Headquarters with a request for similar dissemination.

Great pleasure to catch Bne with you. Will  
be a privilege to catch up on your next visit  
to God's own country. Regards, Dinesh

Secretary, NORHOMES

## NAVAL OFFICERS RETIERTMENT HOMES

The Naval Officers Retirement Homes (NORHOMES) is a unique project that was conceived and executed by a few Naval Veterans from God's Own Country. The primary driver for this venture was the ever changing social milieu which poses very specific challenges and places undue strain on both the ageing parents and their children. Both need a very fine combination of privacy and mutual support. NORHOMES thus is an ideal Home for Veterans and Parents who are in need of a caring and safe environment.

NORHOMES is a residential complex of 55 Dwelling Units each of which is designed as a Studio apartment of approximately 580 Sq Feet comprising a Drawing Room and a Bed Room with attached Washroom, a small Pantry and a Balcony. The complex has a fully functional Kitchen, Dining Hall, Swimming Pool, Recreation Rooms, Guest Rooms, adequate parking, a Sick Bay and a Massage Parlour.

A few Dwelling Units have come up for change of ownership as their original owners are not in a position to continue holding their property due to various compelling reasons. Interested individuals could peruse the NORHOMES website, [www.norhomes.org](http://www.norhomes.org), or undertake a visit to the facility. The point of contact for all enquiries is The Manager/NORHOMES who can be accessed on [norhomes123@gmail.com](mailto:norhomes123@gmail.com) and by WhatsApp on 8547456392.
