Shree Cement

August 9, 2019

Respected Shri Rajnath Singh ji,

Def. Secretary

13-08-19

**Subject: Shree Cement Limited proposition to provide free cement to the families of Armed Forces Martyrs to build houses**

Kindly accept my greetings on behalf of Shree Cement Limited which is one of the largest and fastest growing cement manufacturing group in India. As an organization, we have achieved many milestones and awards for innovative use of technology, meeting sustainable development goals, efficient use of energy, waste management, pollution control and carry out a numerous social welfare activities as a part of our ongoing Corporate Social Responsibility.

I am writing to you with a very humble proposition from Shree Cement Ltd whereby our company would provide free cement to build houses to the families of Armed Forces Martyrs at cost price.

Further, the scheme envisages providing free of cost cement to build a house of up to 4000 sq ft to those families of Martyrs. The families may procure the cement at a price from any of our cement plants across India.

Since cement is the most required building material, we feel the scheme would be very helpful towards meeting the basic needs of the Martyrs' families. Also, it would be a great honour for us to make a humble contribution to the families of our Jawans who rose above the call of service and laid their lives for the motherland.

We would like your advice and guidance to implement this proposition and look forward to your response.

Adj. General

Wishing you the very best

Yours sincerely,

H.M.
