**USE OF GMAIL/YAHOO ACCOUNTS BY GOVERNMENT OFFICIALS AND GOV.IN OR NIC.IN DOMAINS FOR GOVERNMENT WEBSITES**

1. It has been observed with concern that a number of NIC Email IDs (gov.in/nic.in) of the polyclinics as also displayed on the ECHS Website are faulty/Non-Functional. Consequently, the user are resorting to the usage of gmail/yahoo mail from private domains. The usages of E-Mail IDs from such private domain increase the virus/cyber attack susceptibility manifold. Furthermore the usage of Email IDs by the various Polyclinics other than the assigned IDs would also lead to a communication gap where in the ECHS Beneficiaries may be wishing to communicate to the Polyclinics through the official EMAIL IDs.
2. Keeping the above in view all Regional Centres (RCs) requested to ensure that the EMAIL IDs as assigned to the various Polyclinics are made operational latest by 25 Feb 2022 positively. Any assistance/ guidance if required by S&A Sec CO ECHS will most readily be provided for.
3. Regional Centres (RCs) may approach the respective Stn HQs if so felt for seeking directions to be issued to the respective Polyclinics.
4. All Regional Centres (RCs) are requested to forward a 'status rep' regarding the status of their 'official assigned EMAIL ID' as on 07 Feb 2022. Subsequently an update shall be forwarded on all saturdays starting wef 12 Feb 2022 till such time the assigned EMAIL IDs are functional.
